DETAILED ACTION

This application is in condition for allowance except for the following formal matters:

1. Claim 10 is a method claim written as dependent on claim 1, an apparatus claim. Claim 10 must be rewritten in independent form, incorporating every structural feature of claim 1 (rather than referring to the "device as defined in claim 1") in order to be an allowable method claim.
2. Additionally, claim 12 must be rewritten as dependent on either independent claim 10 or on claim 11, rather than as dependent on claim 1, which is an apparatus claim, not a method claim.
3. Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213.

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.
